Meet Planning Guide

REV1028

A Message from the Meet Chairman

Welcome to Pennsylvania, the second state to ratify the Constitution and be accepted into the Union of States. Pennsylvania has a long, rich history of support for independence and religious tolerance, and Lancaster, Pennsylvania, is just a small sample of the depth of that history. We welcome you to attend the International Meet here in Lancaster on September 14 through September 20, 2008, and sample its history, enjoy its food, meet its people, and see the beautiful countryside surrounding the site of our meet, the Lancaster Host Resort. As summer fades into fall and Pennsylvania Dutch Country comes alive with the vibrance of harvest season, it's a perfect time for an autumn getaway.

Keystone Region Chapter was formed in 1968 by a small cadre of dedicated members and has grown through the years to include a stable base of nearly 400 memberships. We are one of the most active chapters in SDC and hold monthly meets for our membership as well as Spring and Fall Tours. In addition, we promote the Keystone International Swap Meet in York, Pennsylvania, each year, with admission free to all Studebaker owners. Our chapter promoted the International Meet in Gettysburg in 1980 and is fortunate to have many of those same members participating in the planning and promotion of our meet in Lancaster in 2008.

We "Wilkum" you to Lancaster, Pennsylvania, during the week of September 14-20, 2008. We are offering numerous tours, seminars, a concours on Thursday the 18th, and something every day for the ladies, all on site at the Host. Park your car, leave it there for the week, and enjoy the meet!

Plan now to attend. Reservations are being taken now at The Lancaster Host at **1-800-233-0121**. Be sure to mention the **2008 SDC International Meet** when making your reservation to get the special rate of \$99/night on your room.

Tours Requiring Advance Registration

Times shown are departure times. Please arrive 15 minutes early to begin boarding.

Tour 1: Plain & Simple

When: 8:30am - 12:15pm Monday, September 15, 2008

Cost: \$34.00 includes admission to Amish Village and gratuities

Explore the Amish Village in Strasburg, an authentically furnished Lancaster County Old Order Amish farmhouse. Learn about the history and customs of the Amish living in Lancaster County today. Discover why the Old Order Amish live as they do. After your tour see the Blacksmith Shop with tools of the smithy's trade, a fully furnished one-room schoolhouse, a barn complete with horses, miniature mules, goats, peacocks, and piglets, an operating smokehouse stocked with traditional Pennsylvania Dutch foods available for purchase, Amish buggies and wagons, and an operating waterwheel and windwheel.

We'll then venture out on the roads less traveled through the heart of the Amish farmlands and enjoy picturesque scenery as we meander across country roads where time seems to stand still. We'll see the pristine Amish farms, one-room schoolhouses, windwheels, Amish "phone booths", and farmers working the fields with their horse- or mule-drawn plows.

Next we'll stop at Riehl's Quilts & Crafts, right on an Amish farm! We'll have an opportunity to meet the Amish in person and browse through a colorful array of exquisite handmade quilts and unique country crafts. A Country Surprise awaits us somewhere along the way. But on any given day, there's plenty of interest to be explored in the beautiful Amish countryside.

Tour 2: Studebaker Marker Re-Dedication

When: 1:00pm - 5:30pm Monday, September 15, 2008

Cost: \$20.00

Return to the location of the original 1830 wagon shop of John Clement Studebaker, father of the founding brothers of the Studebaker Corporation. Located in scenic Adams County a few miles northeast of Gettysburg, this significant site was ceremonially dedicated on July 12, 1980, as part of the International Meet with the erection of a monument and plaque supplied by the efforts of the Keystone Region Chapter.

It is now fitting for us to rededicate the memorial and to once again reflect on our marque's early history. Speakers from the Adams County Historical Society and SDC will be present together with other dignitaries. Light refreshments will be served prior to return. Travel time is approximately 1 ½ hour each way. Please come join us for this special afternoon! Due to parking limitations, there will be bus access only.

Tour 3: Chocolatetown and the AACA Museum

When: 9:00am - 3:00pm Tuesday, September 16, 2008

Cost: \$41.00 includes admissions and gratuities

Notes: Lunch on your own and time to shop at Chocolate World.

You'll know you're close to Hershey when the air is filled with the sweet smell of chocolate! See the street lights shaped like chocolate kisses. Learn the history of this unique town and the humble beginnings of its founder, Milton Hershey.

Visit Chocolate World and enjoy a simulated factory tour ride that takes you from the harvesting of cocoa beans to the production of Hershey's chocolate. Enjoy a free sample, then browse the unique shops at Chocolate World, filled with Hershey souvenirs and chocolate delicacies. Lunch on your own.

Next visit the Antique Automobile Club of American Museum in Hershey. The museum's highly detailed dioramas present carefully restored vintage vehicles in elaborate scenes that bring the history of the automobile to life. From a tiny machine shop in turn-of-the-century New York to the asphalt apron of San Francisco's Golden Gate Bridge, the museum's Sea to Shining Sea exhibit moves you through time and space on a tour from the automobile's blacksmith shop beginnings to a time and place when the car was king.

Tour 4: Lancaster Historical Tour

When: 9:30am - 3:30pm Tuesday, September 16, 2008

Cost: \$59.00 includes admission to Wheatland and gratuities

Notes: Lunch on your own at the Central Market and time to visit other sights in central Lancaster.

Enjoy a walking tour of Historic Lancaster City, a tour of Central Market, and a visit to the home of Pennsylvania's only U.S. President, James Buchanan.

You'll visit the oldest publicly owned continuously operating farmers market in the country, listed on the National Register of Historic Places! Offering a wide variety of local delicacies and even flowers and crafts, you're sure to find something you like! Each guest will be given a canvas tote bag and vouchers for items such as homemade bread, apple butter, and pretzels.

In the blocks surrounding the Market you'll find numerous shops, restaurants, boutiques, and museums. Two great museums to check out are the free Lancaster Cultural History Museum and the Lancaster Quilt & Textile Museum, admission charged.

The final stop is Wheatland, the country estate of James Buchanan, the 15th President. Set amidst four acres, the Federal style mansion is the perfect backdrop for an unforgettable experience. Original furnishings and personal items help tell the story of the U.S. President who struggled to calm a divided nation on the brink of civil war.

Tour the Moravian Church complex to learn about the oldest organized Protestant Church in the world, built in 1787, and sample Moravian Sugar Cakes. Visit the Sturgis Pretzel House, America's first pretzel bakery. Try your hand at twisting your own pretzel and learn why the Catholic monks developed the pretzel shape to coincide with their prayers. Then visit the Wilbur Chocolate Museum and learn which faith originated the chocolate bar!

Experience a traditional Amish Wedding Feast you'll never forget at Hershey Farm Restaurant. Learn about Amish weddings from someone who got married in one. Lena Esh will serve the traditional wedding meal and other Pennsylvania Dutch favorites, tell you stories, and share with you what it was like growing up Amish.

Dinner only: Amish Wedding Feast

When: 5:00pm - 6:30pm Wednesday, Sept 17, 2008

Cost: \$20.00 includes gratuity Registration deadline: Monday, Sept 18, 5PM

Tour 7: Brandywine - the Wyeths and the du Ponts

When: 8:15am - 3:30pm, Friday, September 19, 2008

Cost: \$60.00 includes a box lunch, admissions, and gratuities

Experience a museum that combines the charm of the old with the excitement of the new, the elegance of art with the grandeur of nature. Exhibiting American art in a 19th century gristmill, the Brandywine River Museum is internationally known for its unparalleled collection of works by three generations of the Wyeth family and for its outstanding collection of American illustration, still life, and landscape painting. Galleries boast original beams and wide board floors, while glass-walled lobbies provide exceptional views of the majestic river and inspiring countryside.

Enjoy a box lunch from a locally owned award-winning restaurant, Isaac's Deli.

The Hagley Museum and Library collects, preserves, and interprets the history of American enterprise. On 235 acres along the banks of the Brandywine River, Hagley is the site of the gunpowder works founded by E.I. du Pont in 1802. This example of early American industry includes restored mills, a worker's community, and the ancestral home and gardens of the du Pont family. Near the residence is a barn that features nineteenth century domestic, farm, and powder yard vehicles, weather vanes, agricultural implements, and a Conestoga wagon. An antique automobile exhibit highlights the du Pont Motors car manufactory, featuring a 1928 Du Pont Motors Phaeton and contrasting it to a 1911 Detroit Electric car that also belonged to a family member

Tour 8: Contrasts In Time
